

**CEENIK EXPORTS (INDIA) LIMITED**

**COMPANY DETAILS**

Ceenik Exports (India) Ltd, headed by Mr. Narain Nanik Hingorani has been incorporated in the year 1995 vide CIN: L51311MH1995PLC085007, and has been listed on the Bombay Stock Exchange since the year 1995. Ceenik Exports (India) Ltd is a as a merchant Exporter. Over the years we have grown in both size and scale with set up that includes knitting, dyeing, and printing, finishing and garmenting departments. This growth allows us to control all the process in the value chain, increasing our ability to provide standardized good quality products.

It is hence combination of our infrastructure and experience that enable us to work and provide our customers with all their garmenting needs.

Our management team constantly updates itself with new techniques, machinery, and processes, which can be learned or acquired to help strengthen our portfolio. It is this attitude to constantly grow that has led merchant exporter to become vertically integrated manufacturing set up. The next step would be to create our own retail brand.

Further It is entered in realty and investment in properties business, Company has its owned properties, which are rented on beneficial terms.

The company has a reputation for providing solutions to its customers through continuous innovations & exceeding customer expectations by differentiated products & services. The company also undertakes customized order of products according to the specifications provided by the clients. The pillars of our success have been dedicated to efficient manpower, innovative thinking, ethical business principles and zeal to excel.

We have developed a comprehensive and scientific system of quality control, where strict vigil is maintained at every stage of production as we believe that relationship based on trust lays the foundation for steady growth.
